

In the World  
of Promises,  
we Deliver  
**Quality**

**EVERSHINE**  
THE ULTIMATE CAR CARE PRODUCTS

The Name Of **AUTO CARE**  
HOME AND AUTO CARE PRODUCTS

Car Care | Aerosols | Additives | Polishes | Adhesive Tapes

#CS0101

### CAR WASH SHAMPOO

- Premium quality shampoo.
- Leaves surfaces well after use.
- Extra foam, cleans all surfaces.
- Multi-utility product for two & four wheelers.
- Wash & glow formula, restore shine immediately.
- Neutral pH value 7.0, no harm to hands.
- Compatible with alloy rim, painted surface, glass, rubber, fabric etc.

Content	Units in Carton
1 Ltr.	20

#ABS0102

### AUTO BODY SHINER

- Repels dust and restores the shine.
- An initial high gloss shine looks like mirror.
- Guard against UV, corrosion, and pollution.
- Excellent shiner with long-lasting shine effect.
- Smooth, easy, and wipes off with no extra effort.
- Removes light oxidation and micro scratches from the surface.

Content	Units in Carton
500 ml.	24

#TS0103

### TYRE SHINER

- Remove tyre stains and scuff marks.
- Lasts longer than any other protectant.
- Reflects dust and restores long lasting shine.
- Brings back new look richness & blackness on tyres.
- Helps to prevent tyre from drying, fading or cracking.
- Polymer foam based formula makes your tyre new in seconds.

Content	Units in Carton
500 ml.	24

#VP0104

### VINYL PROTECTANT

- Restores shine and repels dust.
- Dries to film that won't attract dust.
- Multipurpose clean and shine formula.
- Enhances shine, protect and weatherproof.
- Suitable for two wheelers and four wheelers.
- Evershine vinyl protectant provides long lasting protection and shine.

Content	Units in Carton
100 gm.	40

#RC1003

### RADIATOR COOLANT

- An ideal anti-freeze mixture
- Excellent corrosion protection.
- Improves the engine performance.
- Maximize engine cooling efficiency.
- Suitable for all water cooled engines.
- Prevents overheating, scaling, clogging etc.
- Non-Silicate, Non-Phosphate Anti-Freeze Coolant.

\*Available in Green, Red, Blue, Pink Colours.

Content	Units in Carton
1 Ltr.	20

#CE0107

### COCKPIT ENHANCER (FOAMING)

- Makes it look shiny, repel dust.
- Leaves pleasant fresh scent behind.
- Cleans & cares for all plastic parts in the car interior.
- Poly-dimethylsiloxane formula give good gloss/color and that help mask light scratches.
- Removes the hardened dirt and grease built in the car dashboard.

Content	Units in Carton
500 ml.	24

#DBS0108

### DASH BOARD SHINER

- Protects against fading and enhance life of plastic surface.
- Protector coating gives a long lasting shine.
- Effective result in minimal time and efforts.
- Unique Formula of fast and clear drying.
- Keeps the treated surface smooth and shiny.
- Gently removes dirt, dust and sticky stains for a non-greasy, dry-touch shine

Content	Units in Carton
500 ml.	24

#MPP0109

### ALL-IN-ONE (Rust Remover)

- Odourless, nontoxic, biodegradable formulation.
- Lubricates machineries having extremely low clearance.
- Displaces moisture from electrical and electronic assemblies.
- Multipurpose rust remover, penetrator, cleaner & light lubricant.
- Has an advanced package of anti-rust, antioxidant, metal deactivators
- Loosens rusted nuts & bolts, joints and other threaded connections.

Content	Units in Carton
500 ml.	24
150 ml.	24

#TBC0110

### THROTTLE BODY CLEANER

- Powerful formula of concentrated solvent.
- Super jet spray gun removes grease and varnish.
- Increases fuel efficiency.
- Use on sticky valves, struck heat risers and throttle linkages etc.
- Cleans the carburetors, automatic chokes, throttle body valves & linkage.
- Specially designed to remove dirt carbon, gum & varnish deposits.

Content	Units in Carton
500 ml.	24
150 ml.	24

#CC0111

### CHAIN CLEANER

- Very effective fast evaporating aerosol cleaner.
- Heavy duty formula to remove grease, carbon and dirt in minutes.
- Powerful jet spray to clean bearings, bolts, chain drives etc.
- Lubricates corrosion and contains special anti-corrosion additives.
- Enables silent and smooth movement of chain.
- Low volatile (VOC) formula penetrates deeply and easily removes heavy mud for quick cleaning.

Content	Units in Carton
500 ml.	24
150 ml.	24

#ACL0112

### ADHESIVE CHAIN LUBE

- Excellent lubrication and corrosion protection of chain & sprocket
- Long life, even under high-speed conditions.
- Very good resistance to cold and hot water
- Perfectly lubricates and reduces oil strength.
- Reduces leaks, noise and vibration into tight inaccessible areas.
- Excellent penetration, effective cleaning and lubrication.

Content	Units in Carton
500 ml.	24
150 ml.	24

#ELC0113

### ENGINE LACQUER COATING

- Excellent water resistance, flexibility.
- Good exterior durability and toughness.
- Never allow dust accumulation firmly or easily.
- Provides excellent insulation on electrical system.
- Provides a fresh and new look to the engine surface.
- Gives protection against oxidation, corrosion caused by moisture, dust & dirt

Content	Units in Carton
500 ml.	24

#RR0142S

### RODENT REPELLENT

- Easy to use rat protection spray.
- Specially formulated spray which only repels rats.
- No killing, trapping or poisoning.
- It works on the principle of smell & taste. ...
- Even if a rat comes it will not bite or damage the cables.
- A super effective way to repel rats.

Content	Units in Carton
150 ml.	24

#UBC0115

### UNDER BODY (ANTI RUST COATING)

- Bitumen based anti rust rubber coating.
- Protect from water, moisture and debris.
- Forms a watertight seal that resists salt corrosion & rust.
- Can be used on under body, repair work, weld joints etc.
- Seals cracks, leaks protect expensive repair work under a thick, rubbery skin.

Content	Units in Carton
1 Ltr.	12
500 ml.	24

#BC0116

### BRAKE CLEANER

- Non-corrosive, water repellent formula.
- Evaporates quickly, leaving no residue.
- Contains no ozone depleting solvents or CFCs.
- Friendly to paint, plastics and rubber seal materials.
- Powerfully cleans-linings, drums & metal parts.
- Removes brake fluid, oil, grease & other contaminants instantly

Content	Units in Carton
500 ml.	24
150 ml.	24

#SC0117

### SILENCER COATING

- Long life tough coating.
- New generation resin formula.
- Provides good protection against corrosion.
- High temperature resistance up to 400 C.
- Gives a fresh and new look to the silencer.
- Available in silver bright and black matt finish.
- Suitable for intake and exhaust pipes, furnace, boiler and tank construction

Content	Units in Carton
500 ml.	24

#AF0123

### TWINZY AIR FRESHENER

- TWINZY Air Freshener Aerosol is a pleasant long-lasting Air freshener.
- Designed to eliminate stale odours.
- Highly effective air freshener provides instant freshness.
- The long-lasting fragrance remains active for prolonged freshness.

\*Available in Lavender, Citrus & Jasmine Fragrance

Content	Units in Carton
280 ml.	24

#BTC0119

### BATTERY TERMINAL COATING

- Will not crack or peel.
- Anti-sulfation / Anti-corrosion coating.
- Resistant to heat, gasoline, oil, & grease.
- Excellent product for battery terminal coating.
- High water, wear-proof and acid-resistant coating.
- Prevents current losses and enhances the battery life.
- Very good thermal, oxidation, and chemical stability.

Content	Units in Carton
500 ml.	24
150 ml.	24

#ECC0120

### ELECTRICAL CONTACT CLEANER

- Fast drying cleaner cum degreaser.
- Excellent On-line electrical contact cleaner.
- Safe product, non-flammable, non-conductive.
- Non-corrosive, ultra-high di-electric strength.
- Can be used on electrical circuits, bus bars, cables, motor connections, relays, carbon bushes etc.
- Prevents short circuiting and leaves no sticky film, powdery or oily residues.

Content	Units in Carton
500 ml.	24

#ACD0121

### AC DISINFECTANT

- Leaves a pleasant fragrance in the car.
- Disinfectant, fragrance, cleans and protects.
- Prevents allergic reactions that can be triggered by bacteria and micro-organism.
- Highly effective air conditioner cleaner with flavoured disinfectant properties.
- Natural essential formula eliminates bacteria, virus, stench and fungus.

Content	Units in Carton
500 ml.	24
150 ml.	24

#SP01227

### SPRAY GREASE

- White translucent/creamy lithium based grease.
- Leaves adherent soft film, won't run or wash away.
- Provides all weather lubricants for any moving parts.
- Penetrates & forms a protective film that withstands corrosion, loads and speeds.
- Can be used on hinges, joints, linkages, reversing lever, door catch bands etc.

Content	Units in Carton
500 ml.	24
150 ml.	24

#AD01228

### SPRAY PAINT

- Prevents rust, Non-toxic when dry.
- Spray paint dries to touch in 15 minutes.
- Tough, durable, smooth professional finish.
- Great for furniture, metal & wood railings, bicycles, craft, plastic & metal garden accessories, cabinets, door, cooler, tools, machineries, automobiles, car, bike, electrical panels and thousands of other applications.

Content	Units in Carton
500 ml.	24

#RC01239

### RUBBER CARE (WINDOW DRESSER)

- Excellent polymer based lubricant.
- Prevents rubber parts from cracking.
- Enhances the life of plastic and rubber parts.
- Can be used on rubber, plastic, metal parts and assemblies used in window frames of automobiles.
- Fine Cut Rubbing Polish to be used to remove oxidizes paint from a car's finish

Content	Units in Carton
500 ml.	24

#VP940

### VST PRIMER-940

- Promotes adhesion to polyethylene, polypropylene, ABS, PET / PBT blends and other on difficult to stick to substrates
- Commonly used for increasing adhesion of film and vinyl graphics in automotive detailing.
- Can be applied with brush or swab for small areas and a pressurized flow gun for larger area.
- Best for anodized aluminum, steel and galvanized metal.

Content	Units in Carton
500 ml.	24

#EF0134

### ENGINE OIL FLUSH

- Engine Flush is a specially formulated combination of additives and carrier fluid.
- Its is highly effective detergent and dispersant additives
- Exceptional cleaning properties, and, above all, universal application.

Content	Units in Carton
250 ml.	24
50 ml.	300

#EOA0135

### ENGINE OIL ADDITIVE

- Oil Treatment is a multi-functional high-performance additive.
- Helps to reduce friction and wear.
- For all gasoline and diesel engines in new and used cars.
- It is Compatible with all synthetic and mineral engine oils.

Content	Units in Carton
250 ml.	24
50 ml.	300

#PA0136

### PETROL ADDITIVE

- It cleans and lubricates the fuel system
- Protects against rust and corrosion.
- It reduces emissions by up to 50% and boosts fuel efficiency by 5-10%.
- Prevents carburettor icing.
- Lubricates valves and upper cylinder area.

Content	Units in Carton
250 ml.	24
50 ml.	300

#RF0138

### RADIATOR FLUSH

- A concentrate specially developed for cooling systems in general but particularly those in motor vehicles.
- Dissolves contaminants containing lime and oil in radiators, heating systems, pipes and in engines.

Content	Units in Carton
250 ml.	24

#DA0136

### DIESEL ADDITIVE

- Prevents deposits in the combustion chamber and injection system.
- The function enhancer increases the lubricating effect of low sulfur fuel, thus prevents surface friction.
- Compatible with all modern diesel-oxidation catalytic converters

Content	Units in Carton
250 ml.	24

#WS0137

### WIND SHIELD CLEANER

- Windshield Cleaner is a highly effective concentrate that has been specially formulated for vehicle wind washer systems as well as the manual cleaning o windows.
- High cleaning efficiency.
- 0% solid and Phosphate free.
- Does not attack rubber, paint, or plastic.

Content	Units in Carton
50 ml.	300
